### 9. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Group. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Yours faithfully,  
By Order of the Board  
**BOE Varitronix Limited**  
**Mr. Gao Wenbao**  
*Chairman*

This appendix serves as an explanatory statement, as required by the Share Repurchase Rules, to provide requisite information to you for your consideration of the Repurchase Proposal.

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 735,560,204 Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Resolution to repurchase a maximum of 73,556,020 Shares.

### **2. REASONS FOR REPURCHASE**

The Board believes that the Repurchase Proposal is in the best interests of the Company and the Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share and will only be made when the Board believes that such a repurchase will benefit the Company and the Shareholders.

### **3. FUNDING OF REPURCHASE**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association of the Company, the Bye-laws, the Listing Rules and the applicable laws of Bermuda. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of the capital paid up on the relevant shares, or the funds of the Company that would otherwise be available for dividend or distribution or out of the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium account of the Company.

The Directors consider that there might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2020 in the event that the Repurchase Proposal was to be exercised in full at any time during the proposed repurchase period. However, the Board does not propose to exercise the Repurchase Proposal to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels.

By virtue of the SFO, Mr. Ko Chun Shun, Johnson is deemed to be interested in the Shares held by Rockstead and Omnicorp.

In the event the Board exercises in full the power to repurchase Shares pursuant to the Repurchase Resolution, then (if the present shareholdings remain the same), the interests of the above shareholders would be increased to approximately the respective percentage shown in the last column above. The Board is not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Proposal. In the event the power to repurchase shares pursuant to the Repurchase Resolution is exercised in full, the number of Shares held by the public would not fall below 25%.

#### **6. SHARE REPURCHASES MADE BY THE COMPANY**
